

PASSPORTS INTO PUBLIC HEALTH SEMINAR SERIES

Community Health Workers

Join us for this FREE panel discussion exploring different pathways to becoming a Community Health Worker (CHW).

Panelists will share their personal journeys, training experiences, and career opportunities available in the field. Whether you're considering this path or looking to advance your career, this session will provide greater insight into the CHW profession.

Wednesday, March 25, 2026

10-11 AM CST
